ATTENDANCE:

To be counted as “present” for a week you must have completed all of the work corresponding with a particular week. If you do not do all of the work in the unit(s) you will be considered “absent”. If this occurs during the first two weeks you will be withdrawn by the college for “non-attendance.”

If this occurs after the first two weeks of the semester and before the 60% point in the semester you will be marked as “non participatory” and will be withdrawn with a WF.

Because this class is an online class and assignments are open for weeks and days rather than days and hours, I do not distinguish between excused and unexcused absences. For this class, all absences count the same.

I do not distinguish between excused and unexcused absences for most units you will have windows of times (usually weeks) to get the work done.

If you do not have regular internet access you should probably not take this ONLINE class. If you happen to lose internet access you can always come to any of the SPC campuses and use the computers for free. If you live too far away from the campus to do that, I would recommend that you try a public library. Regardless, it is your responsibility to stay connected.

GRADING:

The grading scale is as follows:

A - 1000 - 900 points (90-100 %)

B – 899 - 800 points (80-89 %)

C - 799- 700 points (70-79 %)

D - 699 - 600 points (60-69%)

Grades in MYCOURSES: I use MYCOURSES’s gradebook as the official gradebook for the course. I will send out emails when I have graded the work and updated scores. Please check your grades regularly and email me with questions or concerns as early as you notice them.

Course Schedule

All units will close at **6pm on the last date listed below**. Work submitted after that time will not be accepted. **All work regardless of due date or day, will be due at 6pm of the date listed. This includes papers, exams, etc.**

Availability of Course Content: Course lessons will be open and close based on the schedule in the syllabus. All units will close at **6pm on the last date listed below**. Work submitted after that time will not be accepted. **All work regardless of due date or day, will be due at 6pm of the date listed. This includes papers, exams, etc.**

Late work

An important note... Because this is an online class, there is great flexibility for the student. However, it is important that students note from the beginning **that I DO NOT ACCEPT LATE WORK**. Almost all units and work will be available from the start of the semester until the due dates listed in the syllabus. Because you will have so much time to work on these units late work is not accepted for any reason. In other words.....work ahead. **Computer problems, problems with MYCOURSES, problems**

with “the internet,” etc. will not allow for work to be turned in late. The lesson here is to do the work early so you don’t run into problems.

I do not distinguish between excused and unexcused absences for most units you will have windows of times (usually weeks) to get the work done.

Course Schedule: All assignments are due no later than 6pm on the date listed

All assignments are due no later than 6pm on the date listed

Remember everything is due at 6pm on the last date listed for that unit and once a unit closes you can’t make up the work – no matter what. I’ve given you at least 3 weeks for each unit. This should give you plenty of time to acquire and watch what you need to watch. This way you have no excuse about not having enough time.

All of the lesson folders are open from the first day of the semester and will close on the dates listed below.

Academic Honesty/Cheating/Plagiarism: *To put it plainly, this is an ethics course and cheating of any kind cannot be tolerated. Cheating, whether on exams or papers, is an attempt to get a grade without learning. It violates the rights of your fellow students who do not cheat. Cheating defeats your purpose for being in school and hurts you in the long run. If a student is caught cheating or plagiarizing he/she will receive an “F” in the class and be reported to the administration upon the **FIRST INFRACTION***
