Academic Integrity: All academic work submitted to satisfy course requirements is expected to be the student’s OWN work. Cheating and plagiarism will not be tolerated. Please remember that plagiarism is not restricted to copying someone else’s work, but also includes paraphrasing another’s work without proper attribution. This includes “cutting and pasting” from Internet sources and the use of photos, figures, tables or clip art that is not classified as free ware. Academic dishonesty and plagiarism are serious matters in academia. Please see SPC’s Academic Honesty page, to learn more about how to avoid them:
http://www.spccollege.edu/academichonesty

- The College of Health Sciences follows a progressive discipline procedure with regard to academic honesty violations. Sanctions may range from a point deduction on an assignment to expulsion from St. Petersburg College, and are determined based on the severity of the offense. All instances of plagiarism, whether suspected intentional or unintentional, will be forwarded to the Dean’s Office for the College of Health Sciences.

Resubmission of Work: All work that is submitted for grading in an HSA course must be original to that course attempt. When a student attempts an HSA course for a second or third
time no previously submitted assignments, discussion forums, or quizzes may be submitted for grading. If work is resubmitted in a subsequent attempt at a course, this is considered self-plagiarism and is as serious as other forms of plagiarism. All forms of plagiarism will be reported to the Dean’s Office.

Health Services Administration Program/Course Policy Regarding Quoted Material

In this course and the HSA program we expect students to demonstrate the ability to integrate critical thought with a synthesis of the reading they do for assignments. This means that we want you to use your own words to communicate facts as well as your knowledge, thoughts, reactions, and reflections. We do NOT want students to simply cut and paste quoted material into their work, even with proper citation. Any text taken directly from another source is not considered the student’s work; it is a compilation of the words of others, and students will not receive a grade for the quoted material.

- Students are expected to understand and demonstrate appropriate paraphrasing, citations and references. (See the HSA Style Guide or Library Website)
- **Quoted material should not be used.** Use of quoted material, or work that has not been properly paraphrased, cited or referenced will result in point loss.

Health Services Administration Department Late Policy – Please Read Carefully

A. **Late Assignments** (Examples: Papers, PowerPoints, Projects, Worksheets, etc.):
- Assignments submitted within 24 hours of due date - worth 50% of their graded value (grade achieved, minus 50%).
- Failure to submit any assignment within 24 hours of the due date will result in a zero for the assignment. All due dates are listed in the Course Snapshot. No assignments will be accepted 24 hours beyond the due date.
- **Late course work from Module 7 and Module 8 will NOT be accepted past their stated due dates in the Course Snapshot.**

B. **Late policy for Quizzes and Discussion Forums:**
- Quizzes may not be made up; the due date is in Course Snapshot.
- Discussion postings made after the midnight Sunday deadline for any module will not receive credit and cannot be made up.
